Fort Saint George, Public Works Consultation of 20th July 1858.

No. 85. Read the following letter from Major E. LAWFORD, Officiating Chief Engineer; to W. H. BAYLEY, Esq., Acting Secretary to Government, dated 2nd July 1858, No. 1584.

SIR,

With reference to Extract Minutes Consultation No. 1111, dated 12th June 1858, I have the honor to state, on the information of Captain Francis, that the Groyne alluded to was built by Private Dempsey of the 84th Regiment, who mistook his orders and exceeded the proper dimensions of the work.

2. Captain Francis ascribes no blame to Lieutenant Shaw Stewart, then Executive Officer, or to Overseer Jackson, employed under him, but considers the excess to have proceeded from accidental error, which it is hoped may be overlooked.

3. Under the above circumstances I beg to recommend the bill for sanction viz. Rupees (115-8) one hundred and fifteen, and annas eight.

No. 86. ORDER THEREON, No. 1401; dated 19th July 1858.

Under the explanation now afforded, the Governor in Council sanctions the Bill submitted with the above letter, amounting to Rupees (115-8) one hundred and fifteen and annas eight, for constructing a stone groyne to support the abutment of the Bridge at Coonoor in Coimbatore.

(Signed) T. PYCROFT,
Chief Secretary.
