Fort Saint George, Public Works Consultation of 26th January 1858.

No. 83. Read the following letter from F. LUSHINGTON, Esq., Civil Auditor; to H. FORBES, Esq., Acting Secretary to Government, dated 22nd December 1857, No. 305.

SIR,

With reference to the 6th para. of the Extract from the Minutes of Consultation under date the 17th Instant, No. 2335 Public Works Department I have the honor to state that bills on account of the salary of Captain Gib Superintendent of the Paumben Channel at the rate of 200 Rupees per mensem have been regularly passed after Audit and made payable by the Collector of Madura; but no bills on account of that Officer's Establishment have been received in the office, and it is to be inferred, therefore, that they have been included in the estimates.

It is proper however to remark that since the promulgation of the General order revising the scale of the establishment of the Department Public Works bills on account of the Salaries of the two Overseers with their establishments amounting to Rupees 112 each per month allotted to the Paumben works have been regularly received, and after Audit have been made also payable by the Collector of Madura.

No. 84. ORDER THEREON, No. 142 ; dated 26th January 1858.

Ordered that the foregoing letter be recorded.

(Signed) H. FORBES,
Acting Secretary to Government.
