Secretary to Government.

From Lieutenant Colonel F. A. REID, Quarter Master General of the Army; to Colonel C. A. BROWNE, Secretary to Government, Military Department, dated 8th July 1857, No. 245.

SIR,

With reference to the last part of the 5th para. of Extract from Minutes of Consultation No. 1285, Public Works Department, regarding the proposed European Hospital at Bellary, the Provincial Commander-in-Chief feels confident, that it will be required for European Troops 'ere long. The chief reason for postponing its erection, mentioned in my letter of 17th November 1856, viz. that, "it is hardly probable that a Regiment of Europeans will be sent to Bellary "under present circumstances."—certainly no longer exists—General Beresford would, therefore wish to see it begun on at once.
