Fort Saint George, Public Works Consultation of 28th July 1857.

No. 108. Read the following letter from Colonel C. E. FABER, Chief Engineer; to H. FORBES, Acting Secretary to Government, dated 13th July 1857, No. 1979.

SIR,

1. With reference to para. 4 of Extract Minutes of Consultation, No. 1218, dated 23rd Ultimo. I have the honor to express my regret that a clerical error in Clause 7 of para. 2 of my letter No. 1092 of the 10th Idem, should have misled Government as to my meaning.

2. If you will obligingly read the word line in the plural, or subtitute for it, the word "country," which perhaps would have been more appropriate, I trust my meaning will be sufficiently obvious. The remarks following "there is a very considerable traffic between the Collectorates of Bellary and Cuddapah," being general, and not confined to *one* road.

No. 109. ORDER THEREON, No. 1459; dated 28th July 1857.

Ordered that the foregoing letter be recorded.

Acting Secretary to Government.
