No. 1. Read the following Report from Colonel C. E. FABER, Chief Engineer; to H. FORBES, Esq., Acting Secretary to the Government of Fort Saint George, dated 2nd July 1857, No. 1716.

Report E, on an estimate amounting to Rupees (500) five hundred, for the construction of Boat House at Cochin.

Boat House at Cochin.

The order for the preparation of a Plan and estimate for the construction of a Boat House at Cochin was given in Extract from the Minutes of Consultation No. 624, dated 4th April 1857, founded on a recommendation from the Marine Board.

2. The Plan and estimate are accordingly now forwarded for the sanction of Government.

3. The estimate is prepared on moderate but sufficient data.

4. The work being ordered to be executed as soon as possible, it is presumed that Government intend that the expense be defrayed from the one lac fund.

No. 2. ORDER THEREON, No. 1464; dated 29th July 1857.

Pursuant to an order dated 4th April 1857, No. 624, communicating one from the Marine Department dated 30th March preceding No. 124, the Chief Engineer forwards an estimate for the erection of a shed for the protection of the Boats recently built for the port of Cochin in the Malabar District. The work having already been approved of by Government in the order from the Marine Department above quoted, and the early provision of a shed being absolutely necessary to preserve the Boats from damage, the estimate now forwarded amounting to Rupees (500) five hundred, is sanctioned for execution on emergency.
