Fort Saint George, Public Works Consultation of 4th August 1857.

No. 10. Read the following Extract from the Minutes of Consultation in the Military Department, dated 21st July 1857.

Read the following letter from Colonel F. A. REID, Quarter Master General of the Army; to Colonel C. A. BROWNE, Secretary to Government, Military Department, dated 9th July 1857, No. 249.

SIR,

I have the honor by desire of the Provincial Commander in Chief to state that the Brigadier Commanding Hydrabad Subsidiary Force, has brought to notice the want of a cooking shed for the Infantry Escort at the Residency, more especially during the monsoon, there being at present only two very small rooms sufficient for about a dozen men.

2. An open tiled shed about 30 feet long might be erected in rear of the Barracks at the probable cost of Rupees 250, which would add greatly to the comfort of the men. The Provincial Commander in Chief considers that a shed is much required. He recommends that one be erected and solicits the sanction of Government for the same.

Approved for immediate execution.

(Signed) R. HAMILTON, Major,
Acting Dy. Secretary to Government.

No. 11. ORDER THEREON, No. 1469; dated 29th July 1857.

Ordered to be communicated to the Chief Engineer with an intimation that the work sanctioned in the foregoing Minutes of Consultation may be executed out of the one lac fund. The Chief Engineer of Hydrabad will be instructed to carry out the work as soon as possible.

(Signed) H. FORBES,
Acting Secretary to Government.
