Fort Saint George, Public Works Consultation of 4th August 1857.

No. 14. Read the following Extract from the Proceedings of the Chief Engineer, dated 17th July 1857, No. 2102.

Read the following letter from the Garrison Engineer.

(Here enter No. 216, dated 9th July 1857.)

Resolved, that the above letter, together with the Nominal Roll of the Garrison Engineer's Office establishment, containing the alterations he wishes to make in their salaries, be forwarded to Government, with a recommendation, that he be permitted to take advantage of the resignation of some of his establishment to remodel it generally, the reasons assigned by Captain Rawlins being fully set forth in his letter, and appearing to be satisfactory and conclusive.

(A true Extract.)

(Signed) C. E. FABER, Colonel,
Chief Engineer.

No. 15. ORDER THEREON, No. 1471; dated 29th July 1857.

The Chief Engineer submits, with his recommendation, a letter from the Garrison Engineer, proposing a re-classification of the Establishment assigned to him in Extract Minutes Consultation dated 13th Ultimo, No. 1144.

2. Captain Rawlins proposes to reduce the pay of his Head Draftsman from 65 to 60 Rupees, because the present incumbent has within the last year "risen more from good luck than merit" but the Government have always objected to authorizing any changes in permanent Establishments, proposed with reference to the qualifications of a particular individual, and not to the duties of the office. The Garrison Engineer will therefore be requested to revise his proposition. The Government are aware of no objection to the other alterations proposed by Captain Rawlins.

(Signed) H. FORBES,
Acting Secretary to Government.
