Not to be folded or roughly handled

Fort St. George, Public Works Consultation of 2nd February 1858.

No. 16. Read the following letter from Colonel C. E. FABER, Chief Engineer ; to H. FORBES, Esq., Acting Secretary to Government, dated 11th January 1858, No. 6595.

SIR,

1. I have the honor to forward for the consideration of Government, and with a view to its entry, if possible, in the outgoing Budget, an estimate amounting (after correction) to Rupees (38,800) thirty-eight thousand eight hundred, for the erection, at Secunderabad, of a School room, with School Master's quarter's, and out offices, for a Regiment of European Infantry.

1 Copy of letter No. 143.
1 Estimate.

2. The estimate is for a building of the design received with Extract Minutes of Consultation, No. 1669, of the 2nd September 1857, and has been prepared by the Chief Engineer of Hyderabad with reference to the 2nd para. of these orders, agreeing with the opinion expressed by Lieutenant Colonel Henderson c. b., in the letter No. 143 of the 14th November 1857, of which a copy is herewith submitted, that it is desirable at once to commence the building of the School room, as a Regiment of Infantry will soon occupy the Barracks, I beg strongly to recommend sanction being given to the estimate, which has been examined and corrected in this office, and orders being issued for the immediate prosecution of the work on emergency.

Letter from Lieutenant Colonel R. HENDERSON, Chief Engineer, of Hyderabad ; to Colonel C. E. FABER, Chief Engineer, dated Bolarum, 14th November 1857.

SIR,

With reference to Extract of Proceedings, No. 108 of 1857-58, dated 12th September 1857, I have the honor to forward for sanction a Plan and estimate amounting to Company's Rupees (38,800) thirty-eight thousand eight hundred, for constructing a School room, with School Masters quarters and out offices for a Regiment of European Infantry at Secunderabad prepared in accordance with the standard plan forwarded by the Government of India along with an Extract from Minutes of Consultation, No. 1669, dated 2nd September 1857.

2. As the Barracks and Family quarters will soon be occupied by a Regiment of European Infantry, I would beg to recommend for your approval, that the Government be solicited to authorize the work being commenced at once on emergency pending the sanction of the estimate.

No. 17. ORDER THEREON, No. 152; dated 28th January 1858.

The Government observe that in the Extract from Colonel Baker's report, dated 21st April which was communicated to the Chief Engineer with Extract Minutes of Consultation 23rd November 1857, No. 2156; it was stated that the cost of a School room and quarters for School staff, according to a standard fixed by the Government of India, would be 25,000 Rupees, while the estimate submitted by the Chief Engineer with the above letter, for a School room &c. on the same plan, to be attached to the European Infantry Barracks at Secunderabad amounts to Rupees 38,800, or nearly 14,000 Rupees in excess of the cost contemplated by the Government of India. Before taking this estimate into their consideration in the Military Department, the Government would wish to receive from the Chief Engineer an explanation of the circumstances under which so large an outlay as above pointed out has been applied for.

(Signed) H. FORBES,
Acting Secretary to Government.

Read

No. 6595

Copy of a letter from the
Chief Engineer Hyderabad
forwarding for consideration
Plan of a school for
constructing a school room
with school house and
and quarters for a
school staff at
Hyderabad.

Staff, according to a standard
fixed by the Government
of India would be 28,000
Rupees-while the estimate
submitted by the Chief
Engineer with the above
letter, for a school room &
on the same plan, to be
attached to the Europeans
Infantry Barracks at
Secunderabad, amounts
to Rupees 38,800, or nearly
14,000 Rupees in excess of
the cost contemplated by
the Government of India.
Before taking this estimate
into their consideration
in the Military Department,
the Government would wish
to receive from the Chief Engineer
and

13th
an explanation of the circum-
stances under which so
large an outlay as above
provided out ^{has} been applied for.
