DEPARTMENT

G.O. No. 1527 Press Mis.

Dated 15-2-72 18

Not to be folded or roughly handled

No. 19. Read the following letter from Major E. LAWFORD, Officiating Chief Engineer; to the Secretary to Government, dated 23rd July 1858, No. 2200.

SIR,

I have the honor to submit for the orders of Government, a plan and estimate amounting to Rupees (210) two hundred and ten, for enclosing a portion of the Verandah of the Subordinate Court at Salem, in order to provide additional accommodation for the writers, who, for the want of such a protection, have had to remain and conduct their duties in all weathers, in the open verandah.

Dated 17th July 1858.

2. The Acting Sub Judge, Mr. W. Hodgson, having represented the work to be indispensably necessary, Lieutenant Gahagan has accordingly completed it.

No. 242, dated 17th July 1858. from the District Engineer and the Sub Judge of Salem.

3. Under the circumstances represented in the accompanying copies of corespondence I beg to recommend that Government will be pleased to sanction the work, as it hasal ready been completed, although without proper authority.

Letter from Lieutenant T. E. GAHAGAN, District Engineer of Salem; to Major E. LAWFORD, Officiating Chief Engineer, dated Salem, 17th July 1858, No. 242.

SIR,

In reply to your letter No. 1670,* of the 5th Instant, (which my absence from Salem has prevented me from answering at an earlier date,) I have the honor to forward the accompanying copy of a letter which I received from the Acting Subordinate Judge at Salem, regarding the necessity of the work in question, and to state that it has accordingly been completed.

* Calling for further information respecting an emergent Estimate of Rupees 210-0-0 submitted by the District Engineer on the 28th Ultimo for providing additional accommodation for the writers of the Subordinate Court at Salem.

2. You will observe from the accompanying plan that by closing in a portion of the Verandah a room has been formed for the accommodation of some writers who would otherwise have to remain in all weathers in the open Verandah.

Letter from W. HODGSON, Esq., Acting Subordinate Judge of Salem; to Lieutenant T. E. GAHAGAN, Civil Engineer of Salem, dated April 1858.

SIR,

As it is indispensably necessary that some repairs should be made to the room occupied by the English Writers of my Court, I have the honor to request you will be so good as to cause them to be made at your earliest convenience.

2. I have directed my Head writer to furnish your Subordinates with the necessary information as to the repair's required to be made when applied for.

No. 20. ORDER THEREON, No. 1597; dated 12th August 1858.

The work referred to in the above letter having been completed, the Officiating Chief Engineer will in due course submit a Bill for sanction with full explanation as to the necessity of the expenditure. The Government observe that the work was not emergent enough to have been undertaken by the District Engineer without the necessary authority.
