Fort Saint George, Public Works Consultation of 17th August 1858.

No. 66. Read the following letter from Major E. LAWFORD, Officiating Chief Engineer; to T. PYCROFT, Esq., Chief Secretary to Government, dated 4th August 1858, No. 2471.

SIR,

I have the honor to forward an estimate amounting to Rupees (750) seven hundred and fifty for repairing the roof of the Sudder Ameen's Record room at Nellore.

2. The present value of the building being estimated at Rupees 921½, it does not fall within the competency of the Chief Engineer to sanction the repairs, which however are of the most urgent nature; the main beams which are not of Teak being hollowed out by white-ants, it is proposed also to place the records on a stand separated from the walls, that the white-ants may not ascend from shelf to shelf as hitherto, I beg to recommend that this estimate be sanctioned for immediate execution.

No. 67. ORDER THEREON, No. 1619; dated 13th August 1858.

Referred to the Judicial Department for consideration.
