ECCLESIASTICAL DEPARTMENT.

No. 241.

Extract from the Minutes of Consultation under date the 19th July 1858.

Read the following Extract Minutes Consultation in the Public Works Department.

Referring, for consideration, copy of a letter from the Officer in charge of the Central Office of Public Works submitting and recommending for sanction an Estimate amounting to Rupees 1,060 prepared by Mr. Fraser, Acting District Engineer, for improving the Ventilation of St. Stephen's Church at Ootacamund, and for other improvements to the Building. (Dated 7th July 1858, No. 1308.)

The plan proposed by the Acting District Engineer for the ventilation of St. Stephen's Church at Ootacamund is one, of the success of which Major Lawford, in charge of the Central Office of Public Works, appears to entertain no doubt, and, as the Congregation are, it is stated, prepared to defray the cost of maintaining a fire, as necessary to the efficiency of the design, the Government direct that the requisite orders be issued in the Department of Public Works for the early execution of the Work, and, also, for carrying out the improvements to the Building contemplated in Mr. Fraser's Memorandum, at a total outlay of Rupees (1,032) one thousand and thirty two.

2. For obtaining the kneeling stools required for the Gallery, the Church Committee will adopt the course indicated in para: 5 of the Rules for their guidance, dated 30th April 1857.
