No. 126. Read the following letter from Major E. LAWFORD, Officiating Chief Engineer; to the Secretary to Government, dated 7th August 1858, No. 2600.

SIR,

With reference to para. 3 of Extract Minutes of Consultation No. 1209, dated 26th June 1858, I have the honor to submit copy of a letter from the Acting Civil Architect, affording information relative to the circumstances under which the improvements required to the Wash-House in the European Barrack at Poonamallee were undertaken, the work in question was executed at the particular request of the Staff Officer at that station, who, until the improvement had found it impossible to use the wash-house.

1 Copy of letter from Acting Civil Architect No. 402, dated 2nd August 1858.

2. It will be observed that the above work was commenced in July and completed in September 1856, during the incumbency of the late Superintending Engineer, Presidency Division, before the transfer of the works at Poonamallee to the District Engineer Chingleput took place.

Letter from Lieutenant G. V. WINSCOM, Acting Civil Architect Presidency Division; to the Chief Engineer, dated 2nd August 1858, No. 402.

SIR,

With reference to para. 3 of Extract Minutes of Consultation No. 1209, dated 26th June last received with your resolution No. 2230, of the 30th Ultimo, requesting to know under what circumstances the improvements to the wash-house at Poonamallee were executed, I have the honor to inform you that, it was done at the particular request of the Staff Officer of that station, who found it impracticable to use the wash-house before the improvements in question were made.

No. 127. ORDER THEREON, No. 1649; dated 17th August 1858.

Ordered that the foregoing letter be recorded.
