No. 47. Read the following Extract from the Proceedings of the Chief Engineer, dated 8th August 1857, No. 2796.

Read the following letter from Lieutenant J. G. RYVES, District Engineer, of Trichinopoly; to Colonel C. E. FABER, Chief Engineer, dated 8th August 1857, No. 398.

SIR,

In forwarding the enclosed original Medical Certificate, and copy of a letter from Captain Crewe, Executive Engineer, in this District, I have the honor to recommend that Corporal (now by a late promotion Serjeant) Galvin be allowed sick leave to the coast, if it be not considered advisable to remand him to his corps.

2. Serjeant Galvin is, I believe, well behaved and correct in his conduct, but an utter absence of spirit or resolution, which I have already had the honor of bringing to your notice, render him totally unequal to the duties of the Department.

Resolved to forward to Government copy of the foregoing letter No. 398, dated 26th Ultimo, from the District Engineer of Trichinopoly, with its enclosures in original, to be obligingly returned, and to recommend, as Assistant Overseer Corporal Galvin though a well behaved man, is reported to be unequal, from an utter want of energy and resolution, to the performance of his duties, that he be remanded to the Corps of Sappers and Miners.

2. In the event of Corporal Galvin's removal, the Chief Engineer has the honor to recommend for promotion to Assistant Overseer, Sub Overseer, Sub Conductor W. Enright.

(Signed) C. E. FABER, Colonel,
Chief Engineer.

No. 48. ORDER THEREON, No. 1661; dated 31st August 1857.

As Assistant Overseer Galvin, employed in the Trichinopoly District, is reported to be inefficient only through temporary ill health, the Government consider that the leave recommended by the District Engineer on Medical Certificate should be granted to him.

Acting Secretary to Government.
