No 1758

Certified Copy of a Report of a Committee of the Honorable the Executive Council, approved by His Excellency the Governor General in Council on the 21st August 1857.

On a Memorandum dated 20th August 1857, from the Commissioner of Public Works, stating that the Contract for the Erection of the Public Offices at Ottawa, was entered into by the late Government with Messrs Thomas McGreevy & Co. on the 25th day of August 1856, and that the Contractors have failed to perform the work in accordance with the terms of the Contract, and have refused to proceed with the same, and that the Contract has been abandoned by them, and that the Public Interests require that the Contract should be completed without delay, and recommending that the Contract be taken out of the hands of the Contractors, and that the Chief Engineer be authorized to employ such persons as he may deem necessary to complete the same, and to purchase such materials as may be required for the purpose, and that the Contractors be charged with the cost of the same, and that the Chief Engineer be authorized to employ such persons as he may deem necessary to complete the same, and to purchase such materials as may be required for the purpose, and that the Contractors be charged with the cost of the same.

The Committee of Council advise that the recommendation of the Commissioner of Public Works be approved, and that the Chief Engineer be authorized to employ such persons as he may deem necessary to complete the Contract, and to purchase such materials as may be required for the purpose, and that the Contractors be charged with the cost of the same.

Certified,
