No. 56. Extract from the Minutes of Consultation under date the 30th January 1853,
No. 173.

The Right Honorable the Governor in Council is of opinion that in the present reduced state of the Public Works Department, the Collector of Madras may reasonably be called upon to dispense with the services of one of the subordinates of that Department who are now employed under his orders.

2. It is therefore resolved that the services of Mr. Supervisor Kemp be placed at the disposal of the Chief Engineer, for employment in the ordinary duties of the Department.

(Signed) H. FORBES,
Acting Secretary to Government.

My dear Father -
About Mr Kemp - He has
not done much lately in the
Registering Dept. having been
much employed in Kawamut
valuing late Kawamut property &c.
The land work is now taken
from me, & the General is in
charge of the office & I am
not doing much. I could do
without Kemp, taking Walker
in place.

Letter of Mr Kemp

for measurement when
boundaries are disputed.
Planning lands taken for
purposes. Valuing or rather
checking the valuation of lots
in town when application is made
for a reduction in quit rent. For
this is based upon the estimated
value of the premises within the
walls of town. & for the fence work
I have three minutes now.

5
I am all in arrears of work. &
I find that I want a fourth
Kemp is unmoved. I want
it for and then on three
yodas worth. On the whole,
hands of Kemp's standing are
much wanted in D. P. W.
think that I can get on
about him.

Yours very truly,
Kemp.
