Fort Saint George, Public Works Consultation of 7th September 1858.

No. 47. Read the following letter from Major E. LAWOFRD, Officiating Chief Engineer; to the Secretary to Government, dated 1st September 1858, No. 3325.

SIR,

With reference to Extract Minutes Consultation dated 28th Ultimo, No. 1758, I have the honor to request the Government will be pleased to pass orders for holding the instructions to the Civil Auditor contained in para. 8 in abeyance for a short time until I can submit an explanation which I think will induce a modification thereof.

In making this request I would submit the great hardship and inconvenience that must otherwise be caused to persons who have been only engaged in doing what should have been performed by others on whom more justly the loss should fall if necessary.
