No. 61. Read the following letter from Major E. LAWFORD, Officiating Chief Engineer to the Secretary to Government, dated 19th August 1858, No. 2995.

SIR,

Referring to Extract Minutes of Consultation No. 706, dated 16th April 1858, I have the honor to report that Lieutenant Shaw Stewart has so far deviated from the orders therein conveyed, that instead of employing four temporary Assistant Overseers at an aggregate monthly cost of Rupees (340) three hundred and forty, he has maintained six Sub-Overseers at the rates specified in the accompanying Statement, whose monthly pay amounts in the aggregate to Rupees (165) one hundred and sixty-five.

1 Copy of Statement.

2. As these men are not borne on the regular Establishment, but are paid out of Estimates, I trust that the arrangement made by the District Engineer may be approved, and considering the large amount of expenditure now going on, with the prospect of continuance for some time, I would beg that the same may be authorized during the remainder of the working season.

3. The persons employed by Lieutenant Stewart are not of a class entitled to the pay of Assistant Overseers, though very useful as Sub-Overseers, and it is difficult to obtain the services of highly qualified persons for mere temporary employment.

No. 62. ORDER THEREON, No. 1810; dated 4th September 1858.

The Government sanction the arrangement reported in the above letter by which six Sub-Overseers have been engaged by the District Engineer of Cuddapah at a monthly cost of Rupees 165 in lieu of the four Asssistant Overseers authorized in Extract Minutes Consultation 16th April 1858, to be employed temporarily for a period of six months.

Chief Secretary.
