Letter from Colonel F. A. REID, Quarter Master General of the Army; to Colonel C. A. BROWNE, Secretary to Government, Military Department, dated 31st December 1857, No. 607.

SIR,

I have had the honor of submitting to the Commander-in-Chief the Resolution of Government of 24th instant No. 2358, and I am desired by His Excellency to request you will be so good as to inform Government as follows:

Arrangements have been made for providing accommodation for all the extraordinary European Force at this Presidency by the erection of temporary buildings at Trichinopoly, occupying the Banqueting Hall of Government House, Madras, re-occupying condemned Barracks at Arcot, hiring Buildings at the Mount—Vizagapatam, and in the Fort at Bangalore—in short, temporary provision has been made for accommodating all those immediately requiring it—but there is a portion of the Army now in the Field, for the European portion of which it will be requisite to prepare quartering eventually.

One Troop of European Horse Artillery of this Force (Major General Whitlock's) can be sent into Quarters at Jaulnah, the other Troop can go to Trichinopoly. One Battery at Secunderabad and one at Kamptee, of the 2 Reserve Companies of Artillery, one can go into Fort St. George and one to the Mount. The Wing of 12th Royal Lancers can join the other Wing of the Regiment, in Barracks at Secunderabad, where also a Troop of European Horse Artillery might as a temporary measure be quartered, instead of Trichinopoly; the 3rd European Regiment in Barrack at Kamptee, Her Majesty's 43rd L. I. is intended for Burmah. The above is supposing the Force to be broken up—if however the Force is kept in the Saugor and Nerbudda Territories until the hot season commences, as already brought to notice, accommodation will have to be provided on the other side of the Madras Presidency Frontier.
