No. 9. Read the following letter from Major E. LAWFORD, Officiating Chief Engineer; to the Secretary to Government, dated 31st August 1858, No. 3294.

SIR,

1 Copy of letter from the District Engineer of Canara No. 86, dated 23rd July 1858.
1 Plan.
1 Estimate.

I do myself the honor to submit for the orders of Government, the accompanying Plan and Estimate amounting to Rupees (1,690) one thousand, six hundred and ninety, received from the District Engineer of Canara, for constructing a Moonsiff's Cutcherry in the Cundapoor Talook in Canara.

2. The work is represented to be necessary as the Moonsiff is unable to carry on his business in the present place during the rains, and as the rates for labor and materials charged are reasonable and sufficient, I beg to recommend that sanction be given for the entry of the same in the Budget of 1859-60.

Letter from Lieutenant J. N. HUNTER, Acting District Engineer, Canara; to Colonel C. E. FABER, Chief Engineer, dated Mangalore, 23rd July 1858, No. 86.

SIR,

* Amounting to Rupees 1,60.

I have the honor to submit a Plan and Estimate* for the construction of a Moonsiff's Court at Cundapoor.

2. This work was included in the Budget for 1858-59, but returned with the rest of the entries.

3. The dilapidated state of the building, however, justifies its being sent up separately, as, at present the Moonsiff is unable to carry on business there during rains, and is obliged to hold Court in his house.

No. 10. ORDER THEREON, No. 1840; dated 8th September 1858.

Referred to the Judicial Department for consideration.
