MILITARY DEPARTMENT.

No. 3043.

Extract from the Minutes of Consultation, 24th August 1858.

Read letter from the Quarter Master General of the Army, Head Quarters, Ootacamund, 12th August 1858, *No.* $\frac{183}{382}$; *to the Secretary to Government, Military Department.*

On the representation of the Officer Commanding Northern Division, I do myself the honor, by order, to request you will be so good as to bring to the notice of Government that the Quarters for the Staff Serjeants attached to the Regiment of Native Infantry at Russelcondah are of a discription hardly suitable to the purpose for which they were originally erected, to make them more commodious His Excellency recommends.

1st. That a Bath room for each Quarter be formed in the corners of the Verandah.

2nd. At present there is only one set of out Offices for the two ; the Commander-in-Chief considers that one set *for each* is, if not, absolutely necessary, at all events very desirable.

3rd. That the Verandahs be enclosed and furnished with Glass windows and Glass half doors, and that a good pandal be thrown out in front.

The Governor in Council sanctions all the additions and alterations to the Serjeants' Quarters at Russelcondah as recommended by the Commander-in-Chief in the foregoing letter.

2. Estimates for these and plan and Estimate for the set of out Offices will be called for in Department Public Works.
