MADRAS RECORD OFFICE.

Government of Madras.

Political DEPARTMENT.

G.O. No. 702 Press Mis.

Dated 7 18

Not to be folded or roughly handled

No. 128. Read the following letter from Major E. LAWFORD, Officiating Chief Engineer; to the Secretary to Government, dated 26th August 1858, No. 3118.

SIR,

* Copy of Paras 1-2-3 of Letter from Captain Crewe, dated 7th August 1857.

I have the honor to forward, for the information of Government Extract of a letter* from Captain Crewe dated 7th August 1858, together with copy of my reply thereto dated 11th August 1858, No. 2716 and to state that no report of that Officer's departure from Trichinopoly has yet been received.

Extract from the Proceedings of the Chief Engineer, dated 11th August 1858, No. 2716.

Read the following Extract from a letter from Captain W. CREWE, late Executive Engineer, Trichinopoly District.

Letter No. 633 of 29th July 1858, and 1 Statement from the District Engineer of Trichinopoly returned herewith.

Para 1. I have the honor to acknowledge the receipt of your letter No. 2509 and its enclosures noted in the margin and in reply thereto to state, that on the 31st Ultimo I sent in to the District Engineer Bills and statements accounting for the unadjusted balance of expenditure in the 1st circle to the close of the Official year 1857-58.

Para 2. A copy of the Officiating District Engineer's letter of this days date acknowledging the receipt of those Bills and informing me that they have been checked in his Office, is herewith submitted.

Para. 3. As these Bills have to be forwarded to Lieutenant Ryves for his examination and countersignature, I beg you will do me the favor of informing me, whether you consider it desirable that I should remain here until that examination has been made, and an acquittance granted, or if I am at liberty to join my new Department.

Trichinopoly, 7th August 1858.

(Signed) W. CREWE,
late Executive Engr. Trichinopoly District.

Resolved, with reference to the foregoing letter No.—dated 7th August 1858 to inform Captain Crewe, that as the Officiating Chief Engineer fully understands that all Captain Crew's Bills have been sent in agreeably to the orders of Government, there is no necessity for that Officer to remain longer at Trichinopoly.

2. It is however observed, that the duty of examining Captain Crewe's Bills, devolves on Lieutenant Moberly as the Officer now in charge of the District and records.

(Signed) E. LAWFORD, Major
Officiating Chief Engineer in charge of S. C.

No. 129. ORDER THEREON, No. 1902; dated 14th September 1858.

Ordered that the foregoing letter be recorded.
