Central Office of Public Works

Memorandum

With reference to his Memorandum of the 18th Instant, the Officiating Chief Engineer has the honor to inform the Secretary to Government that the sanctioned holiday granted to Roman Catholics on account of Saint Thomas' Feast having fallen on Saturday, on which day the Central Office is usually closed at 2 p.m., the whole Establishment were granted the indulgence, but due provision was made for the despatch of Emergent business.

2. The Officiating Chief Engineer would further beg to observe that it is not his practice to grant a general holiday to all persons on public works on particular days, but as during the recent preparation of the outgoing Budget the whole Office has been deprived of the indulgence of half-holiday on Saturdays, it was considered that the

discretion authorized in Para 1. E.M.C.N. 1490
of 1st December 1858, and Page 267 of the Para 62
Bengal Code, might on the occasions under
notice be with propriety used

3. With reference to the Concluding part
of the Memo. from the Secretary to Government
P.L. 2. it is also observed that, for some
months past the rules laid down by Govern.
ment regarding Holidays have been strictly
observed
