Circular. No. CXXX of 1857-58.

Extract from the Proceedings of the Chief Engineer, Under date the 9th October, 1857, Read the following:

PUBLIC WORKS DEPARTMENT.

Public.

No. 1885.

Extract from the Minutes of Consultation under date the 6th October 1857.

Read the following letter from the Members of the Committee for the Examination of Officers in the Department of Public Works.

Reporting that Messrs. Oakes and Hasted have passed their Colloquial examination in Tamil. } (Here enter 12th September 1857, No. 979.)

The Government observe that the examination of Lieutenants Oakes and Hastead reported upon in the above letter, having been merely Colloquial, the success of those officers may be notified in the Official Gazette at once, but they direct that future reports on officers in the Public Works Department, passing the full standard prescribed in the Rules of 6th August 1856, be submitted to Government by the Local Committees through the Board of Examiners, who are, under the Rules above quoted, required to prepare papers for such examination, and who will therefore be the proper authority to decide whether the required standard has been reached.

The order of Government
dated 6 October 1857 No 1885 as to the
mode of submitting reports on the
examination of Officers, was com-
municated to the Chief Engineer
for his own information, and the
Government see no reason for
it's having been circulated to
the Divisional Engineers. The order
concerned only the local Committees
& Boards and the Board of Ex-
aminers, and there are many
reasons why the circular orders
of the Central Office should
not be needlessly numerous.
