Fort Saint George, Public Works Consultation of 10*th November* 1857.

No. 17. Read the following Extract from the Proceedings of the Chief Engineer, dated 19th October 1857, No. 4556.

Read the following letter from the Superintendant East Coast Canal.

Enclosing a copy of a letter from the Civil Auditor relative to the extra pay of the establishment attached to the Toll Office of Cochranes Canal, and requesting further instructions on the subject. } (Here enter 3rd September 1857, No. 200)

Resolved with reference to the foregoing letter No. 200, dated 3rd September 1857, to submit to Government copy of the Civil Auditor's letter therein referred to No. 613 dated 1st October 1857, and to request special sanction for the increased allowances to the Toll Establishment of Cochrane's Canal being drawn from the 3rd August 1857, being the date of their Sanction by the Government of India.

Copy of letter from the Civil Aditor to the Superintendent E. C. Canal. No. 613, dated 1st October 1857.

2. The Chief Engineer is of opinion that on the ground of the increased traffic on the Canal, and of the long established and excellent character of the Superintendent, the authorized increase should be disbursed from the 3rd August 1857, and he respectfully recommends the measure accordingly.

(Signed) C. E. FABER, Colonel,
Chief Engineer.

Letter from F. LUSHINGTON, Esq., Civil Auditor; to Lieutenant F. J. MOBERLY, Superintendant of East Coast Canal, dated 1st October 1857, No. 613.

SIR,

With reference to the bill for the difference of salary between the old and new rates, sanctioned in Extract Minutes Consultation dated 31st August last, of the Establishment of the Toll Office attached to Cochrane's Canal, I have the honor to inform you, that I am precluded from admitting the charge retrospectively, i. e. from the 3rd August, the date of the sanction of Government of India, as claimed by you, without your first obtaining the special sanction of Government, as the increased rates can only be passed from the date of the receipt of the order in your Office. I therefore return the Bill unaudited. The Chief Engineers authority communicated in his Proceedings No. 34 dated September, is not sufficient for my office to admit the claim.

No. 18. ORDER THEREON, No. 2066; dated 5th November 1857.

It is observed that the increased salary can only be given from the date of the order made by this Government; and the recommendation of the Chief Engineer to allow it retrospectively from the 3rd August cannot be acceded to.

(Signed) H. FORBES,
Acting Secretary to Government.

To
The Chief Engineer
Department of Public Works

Sir

I have the honor to request that you will be pleased to submit for the consideration of Government the propriety of sanctioning the establishment of Lascars for the Dacca Canal, which I have proposed to the Superintending Engineer in my letter of this date.

2. The Lascars were originally employed on the Canal, and were transferred to the Office establishment on the 1st August 1837 in consequence of the Canal being declared complete from that date.

3. The Lascars are now employed in the Office as Peons, Duftries, Messengers &c. &c. &c. and I am of opinion that they should be allowed the extra pay of Lascars.
