Fort Saint George, Public Works Consultation of 19th October 1858.

No. 10. Read the following letter from Lieutenant-Colonel E. LAWFORD, Officiating Chief Engineer; to the Secretary to Government, dated 8th October 1858, No. 4339.

SIR,

With reference to Extract Minutes of Consultation No. 2063 dated 6th Instant, I have the honor to state that in my opinion the immediate resignation of the service by Mr. Horgan will be attended with public inconvenience, and I shall be very glad if sanction to that step can be withheld until the 31st December next.

2. Mr. Horgan is not in any way concerned in the arrears of accounts as reported to Government, and judging from past experience, I believe his own will be found to be most correctly kept, but the loss of his services at present will certainly entail more labour on the District Engineer, and so far impede the settlement now in progress.

No. 11. ORDER THEREON, No. 2147; dated 13th October 1858.

The Government accept the resignation by Mr. D. Horgan of his Office of Assistant Executive Engineer. They do not think that their acceptance can be withheld until the end of the year.

(Signed) T. PYCROFT,
Chief Secretary.
