Fort Saint George, Public Works Consultation of 19*th October* 1858.

No. 27. Read the following letter from Lieutenant-Colonel E. LAWFORD, Officiating Chief Engineer; to the Secretary to Government, dated 13th October 1858, No. 4458.

SIR,

I have the honor to request the sanction of Government for the value of a quantity of Sheet and Bar-Iron for the use of the Dredge and Punts in the Tanjore District, amounting to Rupees 50-8-3 indented for by the District Engineer of Tanjore.

2. As the Indent has been passed by the Inspector General of Ordnance, and the Coromandel will sail to-morrow at noon, I shall feel greatly obliged if early sanction be accorded as I am desirous of availing myself of this the only opportunity I am aware of as likely to offer for some time.

3. I have also to request the favor of a shipping order for these stores.

No. 28. ORDER THEREON, No. 2156; dated 13th October 1858.

The Governor in Council sanctions the disbursment of the value of the Sheet and Bar iron required for the use of the Dredge and Punts in the Tanjore District, amounting to Rupees (50-8-3) fifty, annas eight and pice three.

2. The Superintendent of Marine will be requested to issue the necessary orders for the shipment on the "Coromandel" of the articles above referred to.
