Read the following Circular from Major R. STRACHEY, Officiating Secretary to the Government of India; to the Secretary to the Government of Fort Saint George, dated Fort William, 30th August 1858.

SIR,

A question having arisen as to whether the Orders of Government of the 29th October 1856, which direct the repair, at the public expense, of Roman Catholic Chapels used as places of worship for the European Soldiers and made over to Government, apply also to the dwelling houses of the Priests, I am directed to intimate that the Honorable President in Council has been pleased to decide, that the Priests' dwelling house may be repaired at the public expense when forming a part of the Chapel, but that the Government cannot engage to repair such residences when they are separate from the Chapel, though in the same compound.

Copies of the Circular will be furnished to the Military Department and to the Department of Public Works, also, to the Right Reverend J. Fennelly, Bishop, and Vicar Apostolic of Madras, in reference to E. M. C., 26th November 1856, No. 451.
