No. 319.

Extract from the Minutes of Consultation under date the 1st *October* 1858.

Read the following letter from Lieutenant Colonel F. A. REID, C. B., Quarter Master General of the Army; to the Secretary to Government, Military Department, Fort Saint George, dated 14th September 1858, No. (232444.)

SIR,

In forwarding, by order of the Commander-in-Chief, copies of correspondence received from the Officer Commanding Malabar and Canara on the subject of the want of accommodation for the Military Chaplain at Malliapooram, during the time of his periodical Visits to that Station, I am directed by His Excellency to say that if the Building, sanctioned at the large cost of Rupees 2,920, vide Minute Consultation, 2nd September 1857, (copy of which however was not furnished to my Department) is completed every necessary provision will have been made.

From Colonel JAMES FITZGERALD, Brigadier Commanding Malabar and Canara; to the Deputy Quarter Master General of the Army, Fort Saint George, dated 31st August 1858, No. 329.

SIR,

Letter from the Officer Commanding Malliapooram, dated 28th August 1858, *No.* 158.
Extract from Minutes Consultation, dated 18*th August* 1858, *No.* 1595.

I have the honor to forward copies of correspondence, as per margin, and with reference thereto to recommend that some small accommodation be added suitable to the comfort of the Chaplain during his visits at Malliapooram which could probably be done at a trifling additional expense.

From Captain CHARLES PERRIN, H. M., 66th Regiment of Foot Commanding Malliapooram; to the Brigade Major, Malabar and Canara, dated 28th August 1858, No. 158.

SIR,

I have the honor to forward, for the information of the Brigadier Commanding, a copy of Extract of Minutes of Consultation, No. 1595, 1857, supplied to me by the Reverend Mr. Lutyens, Chaplain of Calicut with Malliapooram, and would beg respectfully to call the attention of the Brigadier Commanding to the fact that there is not the slightest preparation for any such Building for the performance of Divine Service being erected here.

I am given to understand that in connection with that Building is to be erected a suitable Room for the accommodation of the Chaplain during his visits to this Station; the necessity for such accommodation strongly exists, as there is no Traveller's Bungalow at Malliapooram, and though I need scarce say most willing to do anything in my power to accommodate any one visiting this Station, the very limited accommodation I or any of the Officers have almost precludes our doing so.

In Extract Minutes of Consultation, 21st April 1857, No. 180, para: 3, the Chief Engineer was called upon, through the Department of Public Works, to submit an Estimate for a Building, in connection with the Barracks at Malliapooram, for the performance of Divine Service, with a moderate sized Room and Bath Room attached to it for the use of the Chaplain.

2. With his report of the 3rd August following, No. 2615, Colonel Faber forwarded an Estimate for the construction of a Room for Divine Service, which was sanctioned and the cost, *viz.*, Rupees 2,920, directed to be included in the Budget of 1858-59.

3. In that Estimate, however, no provision appears to have been made for the two Rooms required for the accommodation of the Chaplain.

4. The Chief Engineer will explain why this has been omitted, and send in, without delay, a Supplemental Estimate for the work.
