SIR,

✓ With reference to the Extract from the Minutes of Consultation No. 2113, dated 11th October 1858, Public Works Department, requiring me to report for the information of Government whether Mr. Flockhart, may be granted the Horse allowance under the Rules quoted by the Officiating Chief Engineer, I have the honor to state that, that Rule provides for the grant of Horse allowance to subordinate Officers of the Public Works Department placed in circumstances similar to those that Mr. Flockhart is represented to be in, viz. to have to travel frequently to a greater distance than he can easily do on foot.

As however Mr. Flockhart receives an additional allowance of 4 Shillings per diem agreeably to the order of Government quoted in the margin,* for such
