Fort Saint George, Public Works Consultation of 29th October 1858.

No. 164. Read the following letter from Lieut.-Colonel E. LAWFORD, Officiating Chief Engineer; to the Secretary to Government, dated 19th October 1858, No. 4652.

SIR,

With reference to Extract Minutes Consultation, No. 2174, dated the 15th Instant, I have the honor to represent that the District Engineer of Tinnevely is the nearest Officer of this Department to Trevandrum, and I do not think it possible for him conveniently to Superintend the construction of the Church at that Station with due regard to his other duties, and as there is a local Engineer employed by the Travancore Government, I would suggest that he should be empowered to perform the duty required.

2. The work can however be visited and reported on when completed by the District Engineer of Tinnevely.

No. 165. ORDER THEREON, No. 2279; dated 28th October 1858.

Ordered to be communicated to the Ecclesiastical Department with reference to para. 5 of the Extract Minutes Consultation in that Department dated 25th September last, No. 311.
