Dated <i>29-10-1858</i>	

Not to be folded or roughly handled

Read the following letters.

No. 176. From Lieutenant-Colonel E. LAWFORD, Officiating Chief Engineer; to the Secretary to Government, dated 21st October 1858, No. 4757.

SIR,

I do myself the honor to forward for the favorable consideration of Government, an application made by the Acting Superintending Engineer of the Centre Circle, for the full salary of his appointment from the date of his assuming charge of its duties, and as I consider that the request is reasonable and unobjectionable, I beg to recommend that the requisite authority may be granted for the disbursement to Captain Francis of the full salary claimed by him, viz., 800 Rupees per month, from the date of his taking up the duty of Superintending Engineer.

Letter from Captain P. M. FRANCIS, Acting Superintending Engineer Central Circle; to Lieutenant Colonel E. LAWFORD, Officiating Chief Engineer, dated 21st October 1858, No. 31.

SIR,

I have the honor to request you will be good enough to lay before the Government, my application to be allowed the full salary of the appointment of Superintending Engineer, Centre Circle, from the date of my joining the appointment.

2. I have hitherto drawn the half salary of District Engineer, and the half salary of Superintending Engineer, altogether 750 Rupees, but as the salary of Captain Collyer for whom I am Acting, has not been debited to this Department at all, and the whole of it is available and it is no part of the Government system to make a gain from such circumstance, I request that the Government will be good enough to authorize the Civil Auditor to pass to me, the full salary of 800 Rupees in place of the 750 hitherto drawn from the date of my taking up the appointment.

No. 177. From Lieutenant Colonel E. LAWFORD, Officiating Chief Engineer; to the Secretary to Government, dated 23rd October 1858, No. 4804.

SIR,

Referring to my letter No. 4757 of the 21st Instant, I have the honor to forward copy of a letter from Captain Orr, Acting Superintending Engineer, Northern Circle, requesting to know whether as the Senior Officer of his grade now actually doing duty he is entitled to succeed to the full salary liberated by Captain Collyer's employment under the Straits Government, and I beg you will do me the favor to submit the same for the favorable consideration of Government.

2. This claim will not clash with that of Captain Francis to the full salary prior to the date of Lieutenant Colonel F. Cotton's return to the Department, as that Officers full salary was then available which is not now the case.

Letter from Captain C. A. ORR, Acting Superintending Engineer, Northern Circle; to Lieutenant Colonel E. LAWFORD, Officiating Chief Engineer, dated 23rd October 1858, No. 14.

SIR,

As Government by the re-appointment of Major Birdwood in the Gazette of the 19th Instant to Officiate as a Superintending Engineer to complete the establishment during the absence of Lieutenant Colonel F. C. Cotton on leave, appears to have decided that we take rank Departmentally according to the dates of our original nomination to Office, I have the honor to request that you will have the goodness to inform me whether as the Senior under these circumstances, I am entitled or not to the full salary left disposable by the employment of Captain Collyer under the Government of India.

No. 178. ORDER THEREON, No. 2285; dated 29th October 1858.

Ordered that the letters recorded above be forwarded to the Civil Auditor for report.
