Fort Saint George, Public Works Consultation of 7th December 1858.

No. 16. Read the following letter from Lieutenant-Colonel E. LAWFORD, Officiating Chief Engineer; to the Secretary to Government, dated 12th November 1858, No. 5334.

SIR,

With reference to my letter of the 24th of August last, No. 3072, to the Chief Secretary to Government, forwarding a correspondence relative to the physical unfitness of Bungaroo Naick, a Sub-Overseer of the 2nd Class 2nd Grade, for further active employment in the D. P. W., and recommending that sanction be obtained for the disbursement, under the Uncovenanted Pension Rules, of a gratuity of Rupees 180 equal to the last 6 months salary drawn by the Sub-Overseer, on the date on which his services in the D. P. W. may be dispensed with, and pending the consideration of Government on these points, I have the honor to suggest that the District Engineer be permitted to nominate a temporary successor in the mean time.

No. 17. ORDER THEREON, No. 2585; dated 2nd December 1858.

The Government observe that the case of Bungaroo Naick Sub Overseer of the 2nd Class 2nd Grade, has been submitted* for the favorable consideration of the Government of India, and they are of opinion that until that authority have decided on the matter, and the services of the Sub Overseer are finally dispensed with, it would be premature to make any arrangement. On the vacancy occuring it should be permanently filled up by promotion from the lower grade, in the usual course.

* 17th September 1858.

Acting Secretary to Government.
