Fort Saint George, Public Works Consultation of 7th December 1858.

No. 42. Read the following letter from Lieutenant-Colonel E. LAWFOED, Officiating Chief Engineer; to the Secretary to Government, dated 24th November 1858, No. 5742.

SIR,

I have the honor to forward for submission to Government, an estimate amounting to Rupees (1,120) one thousand one hundred and twenty, for repairing and improving the Traveller's Bungalows at Assanoor and Kydoor, in the District of South Arcot.

1 Copy of Extract Proceedings Revenue Board No. 4267, dated 16th November 1858.
1 Do. letter from Collector South Arcot No. 180, dated 14th October 1858.
1 Abstract Estimate.

2. In Budget Statement No. 2 for 1858-59, item 623, a sum of Rupees 1,100 is entered for repairing and improving a Traveller's Bungalow at Kydoor, but the estimate herewith submitted is for making such repairs and improvements as are indispensably necessary to two Traveller's Bungalows, at a cost of Rupees 560 each, I beg to recommend that Government will be pleased to authorize the omission of the above item in the Budget for 1859-60, and sanction the work* for immediate execution out of the General funds at the disposal of the District Engineer.

* Rupees 1,120.

Extract from the Proceedings of the Board of Revenue, dated 16th November 1858, No. 4267.

Read the following letter from G. N. TAYLOR, Esq., Acting Collector of South Arcot; to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Cuddalore 14th October 1858, No. 180.

SIR,

I have the honor to submit for sanction, the accompanying estimate prepared by the District Engineer, for repairing the Public Bungalows at Assanoor and Kydoor (Kaladoor) situated on the high road from Madras to Trichinopoly at a cost of 560 Rupees each.

2. A sum of 1,100 Rupees was sanctioned in last year and the work entered in the Budget of 1858-59 for repairing the Bungalow at Kydoor: but nothing has been done to it in consequence of the restriction imposed by Government on the Public Works Department.

3. As these Bungalows are however much resorted to by Travellers, a revised estimate has been made for such repairs as are actually needed which I request may be sanctioned at an early date.

Resolved that the foregoing estimates with the letter giving cover to them be forwarded to the Officiating Chief Engineer with the recommendation of the Board of Revenue that the repairs to the two Public Bungalows at Assanoor and Kydoor therein referred to at an aggregate cost 1,120 Rupees be sanctioned if the estimates are approved.
