No. 48. Read the following letter from Lieutenant-Colonel E. LAWFORD, Officiating Chief Engineer; to the Secretary to Government, dated 13th November 1858, No. 5387.

SIR,

With reference to Extract Minutes Consultation No. 1353, dated 14th July 1857, I have the honor to represent that from that time up to this date an Assistant Overseer and two Sub-Overseers on the strength of the D. P. W. have been employed in the kimedy Zemindary, and, as I presume their salaries will ultimately be debited to that Estate, I am very anxious to know if I may entertain substitutes for them in the Government service.

2. The want of subordinates for the execution of repairs is felt in every District, and the orders of Government referred to by me do not seem to require that, members of this Establishment are to be permanently employed in Kimedy, I therefore trust that the same principle may be followed as in Shevagunga where a Maramut Superintendent has been applied for by the Court of Wards, to be charged to the revenues of the estate.

No. 49. ORDER THEREON, No. 2601; dated 3rd December 1858.

Para. 1. The Officiating Chief Engineer enquires whether he may entertain substitutes in the Department Public Works to fill up temporary vacancies created in it by the employment of an Assistant Overseer and two Sub-Overseers in the Kimedy Zemindary, whose salaries he presumes are charged to that Estate.

2. In Extract Minutes Consultation in the Revenue Department, dated 14th February 1857, No. 168, sanction was granted for the employment of an additional establishment applied for by the Acting Collector of Ganjam for his Assistant Captain Campbell, to enable him to carry out certain works in the Purlah Kimedy Zemindary, at a cost of Rupees 286 per men sem or Rupees 3,432 per annum defrayable from the revenues of that property. This establishment includes 2 Overseers, and why there should be any need for additional assistance from the Public Works Department the Government are not informed. The Court of Wards will be requested to submit information on this point, and to state at the same time whether as surmised by Colonel Lawford the salaries of the subordinates of the Public Works Department who are represented to be employed in Kimedy since July 1857, are debited to the funds of that Estate; if not, whether there is any objection to the arrangement, both with respect to the circumstances of the Estate, as well as to the particular works which are being carried on at the expense of that property.
