PUBLIC DEPARTMENT.

No. 1500.

Extract from the Minutes of Consultation, under date the 3rd December 1858.

Read the following letter from A. J. ARBUTHNOT, Esq., Director of Public Instruction; to the Acting Secretary to Government, Fort Saint George, dated 19th November 1858, No. 998.

SIR,

I have the honor to report for the information of the Right Honorable the Governor in Council that the inhabitants of Trivalore in the District of Tanjore have subscribed the sum of Rupees (500) five hundred in cash for the erection of a suitable building for the Talook School which has been established at that station. One of the subscribers, C. Calleana Soondrum Moodelly has also made over a piece of ground, valued at Rupees 150, as a site for the projected School house.

2. I beg to recommend that the Government will be pleased to grant such sum not exceeding Rupees (500) five hundred as may be required, in aid of the contribution of the inhabitants. I propose that this School house should be erected under the direction of the Inspector with the aid of the Revenue authorities, as directed in the order of the Government of India of 6th February 1857, Public Works Department, No. 657.

Order.—Government sanction the grant of a sum not exceeding Rupees 500, in aid of the contribution of the inhabitants, towards the erection of a Talook School at Trivalore in the Tanjore district; and direct that the building be constructed by the Educational Department. The aid of the Revenue authorities is asked for by Mr. Arbuthnot, but he is in error in supposing that this is directed by the Order of Government that he quotes. He can apply, if necessary, to the Executive Engineer for advice.

2. It is observed that the subscribers have given Rupees 500 in cash, and a piece of land valued at 150 Rupees for a site. The grant of Government will be debited to the Education Building Fund.
