

No. 1315.

Extract from the Minutes of Consultation, 19th April 1858.

Read letter from the Dy. Adj. Genl: of the Army.

Solicits decision as to whether the within specified order placing 2nd Corporal H. A. Gilbert of the Sappers and Miners at the disposal of the Chief Engineer, Department Public Works, for temporary employment in Nellore is to stand good, and whether it is to be considered in supersession of his appointment under the Chief Engineer of Hyderabad.

Here enter 17th February 1858, No. 162.

Referred to the Department Public Works.

18th February 1858.

Extract from the Minutes of Consultation in the Public Works Department, under date the 14th April 1858, No. 677.

Read letter from the Chief Engineer, 19th March 1858, No. 8233; to the Acting Secretary to Government.

I have the honor, with reference to Extract Minutes Consultation, No. 345, dated 1st instant, to forward for submission to Government, the accompanying letter from the District Engineer Nellore, No. 496, dated 8th instant, on the subject of relieving Corporal Gilbert from his present duties, to take up his previous appointment in the Hyderabad Territory, and to request that under the circumstances represented by Lieutenant Mullins, and also of the Corporal never having joined his appointment in the Deccan, as Serjeant Instructor, he may now be permitted to continue in the Nellore District, and a Non-Commissioned Officer from the Head Quarters of Sappers and Miners be placed at the disposal of Colonel Henderson, c. b., instead of Corporal Gilbert.

From the District Engineer, Nellore, 8th March 1858, No. 496; to the Chief Engineer D. P. W.

In acknowledging the receipt of your order No. 7769 of the 3rd instant, I have the honor to inform you, that Corporal Gilbert has now been, for a fortnight, in charge of the Quarries, Railway, and Brick Fields, and is therefore just becoming acquainted with his duties here. He appears to be well suited to his work, and his removal to Hyderabad would therefore be very inconvenient, especially in the absence of another Temporary Assistant Overseer to take his place, still should it be thought of importance that he should take up his first appointment, I have no doubt that by a little extra trouble we shall be able to prevent any loss of consequence.

2. It may perhaps be well to mention that Mr. Gilbert has just marched down from On-gole to take up his present appointment, and should he be directed to proceed to Hyderabad, I hope that some arrangement will be possible for preventing his being a loser by the expenses of another long march, he having, since his arrival at Nellore, married, under the impression, I suppose, that for some time at least he would not be obliged to remove to another part of the Presidency.

Resolved that the foregoing letter and its enclosure be communicated to the Military Department, with reference to the Extract Minutes of Consultation, dated the 18th February, and that the temporary employment of Corporal Gilbert in Nellore be considered in supersession of his appointment under the Chief Engineer of Hyderabad.

2. His Excellency the Commander-in-Chief will be requested, through the Military Department, to place the services of a Non-Commissioned Officer from the Head Quarters of the Sappers and Miners, at the disposal of the Chief Engineer of Hyderabad in place of Corporal Gilbert.

(A true Extract.)
