Architect at the Presidency
vice Colonel Munson.

Noted 8th Aug 1858
Received 11th Dec 1858

Minute by the Right
Hon: the Lt. Gov: Munson

Order No. 1858
1858

MILITARY DEPARTMENT.

No. 1315.

Extract from the Minutes of Consultation, 19th April 1858.

Read letter from the Dy. Adjt. Genl. of the Army.
Solicits decision as to whether the within specified
order placing 2nd Corporal H. A. Gilbert of
the Sappers and Miners at the disposal of the
Chief Engineer, Department Public Works, for
temporary employment in Nellore is to stand
good, and whether it is to be considered in
supercession of his appointment under the
Chief Engineer of Hyderabad.

Here enter 17th February 1858, No. 162.

Referred to the Department Public Works.
18th February 1858.

Extract from the Minutes of Consultation in the Public Works Department, under date the 14th
April 1858, No. 677.

Read letter from the Chief Engineer, 19th March 1858, No. 8233; to the Acting Secretary
to Government.

I have the honor, with reference to Extract Minutes Consultation, No. 345, dated 1st instant,
to forward for submission to Government, the accompanying letter from the District Engineer
Nellore, No. 496, dated 8th instant, on the subject of relieving Corporal Gilbert from his pre-
sent duties, to take up his previous appointment in the Hyderabad Territory, and to request
that under the circumstances represented by Lieutenant Mullins, and also of the Corporal never
having joined his appointment in the Deccan, as Serjeant Instructor, he may now be permitted
to continue in the Nellore District, and a Non-Commissioned Officer from the Head Quarters
of Sappers and Miners be placed at the disposal of Colonel Henderson, C. B., instead of Corpo-
ral Gilbert.

From the District Engineer, Nellore, 8th March 1858, No. 496; to the Chief Engineer D. P. W.

In acknowledging the receipt of your order No. 7769 of the 3rd instant, I have the honor
to inform you, that Corporal Gilbert has now been, for a fortnight, in charge of the Quarries,
Railway, and Brick Fields, and is therefore just becoming acquainted with his duties here. He
appears to be well suited to his work, and his removal to Hyderabad would therefore be very
inconvenient, especially in the absence of another Temporary Assistant Overseer to take his
place, still should it be thought of importance that he should take up his first appointment, I have
no doubt that by a little extra trouble we shall be able to prevent any loss of consequence.

2. It may perhaps be well to mention that Mr. Gilbert has just marched down from On-
gole to take up his present appointment, and should he be directed to proceed to Hyderabad, I
hope that some arrangement will be possible for preventing his being a loser by the expenses of
another long march, he having, since his arrival at Nellore, married, under the impression, I
suppose, that for some time at least he would not be obliged to remove to another part of the
Presidency.

Resolved that the foregoing letter and its enclosure be communicated to the Military De-
partment, with reference to the Extract Minutes of Consultation, dated the 18th February, and
that the temporary employment of Corporal Gilbert in Nellore be considered in supersession of
his appointment under the Chief Engineer of Hyderabad.

2. His Excellency the Commander-in-Chief will be requested, through the Military De-
partment, to place the services of a Non-Commissioned Officer from the Head Quarters of the
Sappers and Miners, at the disposal of the Chief Engineer of Hyderabad in place of Corporal
Gilbert.
