of N. York do hereby certify that Temporary Asst.
Surgeon J. J. Shannon is in a bad state of health
and I solemnly and sincerely declare that accor-
ding to the best of my judgment a change of
air is essentially necessary to his recovery and
that the circumstances of his case are such as
to render leave of absence for the period of two
months highly desirable.

Enclosure 2

1 Original letter
 with 1 enclosure

 Sep. 1850

I have the honor to forward for sub-
 mission to Government, the accompanying letter
 from the District Engineer Nellore with a
 Medical Certificate recommending Sub Conductor
 P. J. Shannon a Sub Overseer 2nd Class 1st Grade
 for leave of Absence for two Months.

The Chief Engineer has hitherto granted
 leave to Subordinate Officers up to the grade of
 Assistant Overseers, but as Mr. Shannon
 bears a Warrant rank it is doubtful whether the
 Government is not the only competent authority to
 sanction the leave. The question has been referred
 to Government, with reference to Extract Minutes
 Consultation N^o 1219, under date the 8th Ultimo,
 but as no decision has yet been passed, I consider
 the best course to be to submit the application to
 Government.
