No. 63. Read the following letter from Colonel C. E. FABER, Chief Engineer ; to H. FORBES, Esq., Acting Secretary to Government, dated 25th March 1858, No. 8425.

SIR,

With reference to Extract Minutes of Consultation 11th February 1858, No. 244, I have the honor to solicit that you will be pleased to inform me on what date the period of six months therein allowed for the retention of the late Manager of the former Proceedings Department will terminate.

2. In the orders dated 26th October 1857, No. 2009, para. 2, Government were pleased to permit the continuance of Mr. D'Cruz's services, till an opportunity occurred for permanently placing him in the establishment, and I was directed to avail myself of the first occasion for the purpose.

3. No opportunity has yet occurred to enable me to provide Mr. D'Cruz, with a permanent situation of a salary equal to that now received by him, and I am, therefore anxious to know, from what date the period allowed by the Government of India is to be reckoned ; as if counted from the 31st December 1857, (the date of the orders of the Government of India) it will terminate on the 30th June 1858 ; and if counted from the date of the subsequent orders of the local Government, it will terminate on the 11th August 1858. The latter would appear according to the ordinary rules of construction to be the proper date, and it may happen, that within the more extended interval a vacancy will occur.

No. 69. ORDER THEREON, No. 619 ; dated 9th April 1858.

The Chief Engineer requests to be informed from what date the period of six months allowed by the Government of India for the retention, as extra to the establishment, of the Office of the Manager of the late Proceedings Department, is to be counted.

2. In their order of the 26th October last, No. 2009, this Government authorized the continuance of Mr. D'Cruz's employment as a temporary measure, and required the Chief Engineer to avail himself of the first opportunity to relieve the State of the additional expenditure. The order of the Government of India, limits the period of the Manager's retention on a separate salary to six months, and the Governor in Council allows that the time shall be calculated from the date on which the order of the Supreme Government reached the Central Office, but it is expected that Colonel Faber will not postpone any arrangements that can be made at an earlier date to discontinue the extra expenditure in question.

(Signed) H. FORBES,
Acting Secretary to Government.
