No. 31. Read the following letter from Lieutenant General Sir M. CUBBON, K. C. B., Commissioner for the Government of the Territories of His Highness the Rajah of Mysore; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Nundydroog, 6th March 1858, No. 8.

SIR,

I have the honor to forward for submission to the Right Honorable the Governor in Council, copy of a letter from the Chief Engineer in Mysore dated 27th February, No. 2298, together with the Military Budget for the Out-stations in Mysore and Coorg, for the year 1858-59.

Letter from Colonel C. GREEN, Chief Engineer; to Lieutenant General Sir M. CUBBON, K. C. B., Secretary to the Commissioner for the Government to the Territories of His Highness the Rajah of Mysore, dated Bangalore, 27th February 1858, No. 2298.

SIR,

1. I have the honor to submit, for transmission to the Madras Government, or for disposal otherwise as the Commissioner may deem expedient, Military Budget Statement Nos. 1, 2, and 3.

2. As Major DeButts sent up direct to the Madras Chief Engineer the Budget for the Military buildings in the Fort and Cantonment of Bangalore, and as I since ascertained from Extract* Minutes of Consultation that the Budget for 1858-59 has been closed in the Fort Saint George Government Office, I have not made any provision for those buildings.

3. Statement No 1 contains two items amounting to Rupees 859-12-0, the first amounting to Rupees 429-12-0, is for purchasing Quarters for one of the two Staff Serjeants at Hoonsoor, and the other item, amounting to Rupees 430, is for building Quarters for the other Staff Serjeant at the same Station. The copy of correspondence connected with the subject is enclosed, as well as the order of the Madras Government directing the entry in the Mysore Budget for 1858-59.

4. No. 2 Statement is sent in blank, as it is expected that the sanctioned Military Works in the several Military Out-stations in Mysore will all be completed by the end of the official year 1857-58.

5. No. 3 Statement provides for emergent and annual repairs to the Military buildings at the several out-Stations of the French Rocks, Mercara, Hoonsoor, and Hurryhur, and amounts to Rupees 2,200, which, added to the sum required for the Hoonsoor Staff Serjeant's Quarters, will give a grand total of Rupees 3,059-12-0.

No. 32. ORDER THEREON, No. 651; dated 12th April 1858.

With this letter, the Commissioner of Mysore forwards copy of a communication from the Chief Engineer of that Territory, with the Budget of Military works at the out-stations in Mysore and Coorg, for the year 1858-59.

2. The Government observe that such of the works in connection with the Mysore Military Buildings as had received their sanction or approval were included in the Madras Budget for 1858-59. This document, it is further observed, has long since been closed and submitted to the Government of India, and a printed copy of it was forwarded direct to Colonel Green from this Department. The Government therefore do not consider it necessary to review in detail the Statements received with the Commissioner's present letter; but they resolve to forward the papers in original, together with a copy of Lieutenant General Cubbon's communication, to the Chief Engineer of Madras for his information; and with a request that he will be good enough to direct the attention of the Chief Engineer of Mysore to the observations made

in para. 64* of Extract Minutes Consultation dated the 18th January last, No. 93, in respect to the limitations under which advances should be drawn from the funds provided in the Budget for works in the Mysore Territory.
