No. 11. Read the following letter from Colonel C. E. FABER, Chief Engineer; to H. FORBES, Esq., Acting Secretary to Government, dated 19th March 1858, No. 8233.

SIR,

I have the honor with reference to Extract Minutes Consultation No. 345, dated 1st Instant to forward for submission to Government, the accompanying letter from the District Engineer Nellore, No. 496, dated 8th Instant, on the subject of relieving Corporal Gilbert from his present duties, to take up his previous appointment in the Hyderabad Territory, and to request that under the circumstances represented by Lieutenant Mullins, and also of the Corporal never having joined his appointment in the Deccan, as Serjeant Instructor, he may now be permitted to continue in the Nellore District, and a Non-Commissioned Officer from the Head Quarters of Sappers and Miners be placed at the disposal of Colonel Henderson, c. b., instead of Corporal Gilbert.

Letter from Lieutenant J. MULLINS, District Engineer, Nellore; to Colonel C. E. FABER, Chief Engineer, dated Nellore, 8th March 1858, No. 496.

SIR,

In acknowledging the receipt of your order No. 7769 of the 3rd Instant, I have the honor to inform you that Corporal Gilbert has now been, for a fortnight, in charge of the Quarries, Railway, and Brick Fields, and is therefore just becoming acquainted with his duties here. He appears to be well suited to his work, and his removal to Hyderabad would therefore be very inconvenient, especially in the absence of another Temporary Assistant Overseer to take his place, still should it be thought of importance that he should take up his first appointment, I have no doubt that by a little extra trouble we shall be able to prevent any loss of consequence.

2. It may perhaps be well to mention that Mr. Gilbert has just marched down from Ongole to take up his present appointment and should he be directed to proceed to Hyderabad I hope that some arrangement will be possible for preventing his being a loser by the expenses of another long march, he having, since his arrival at Nellore, married, under the impression, I suppose, that for some time at least he would not be obliged to remove to another part of the Presidency.

No. 12. ORDER THEREON, No. 677; dated 14th April 1858.

Resolved that the foregoing letter and its enclosure be communicated to the Military Department, with reference to the Extract Minutes of Consultation dated the 18th February, and that the temporary employment of Corporal Gilbert in Nellore be considered in Supersession of his appointment under the Chief Engineer of Hyderabad.

2. His Excellency the Commander in Chief will be requested, through the Military Department, to place the services of a Non-Commissioned Officer from the Head Quarters of the Sappers and Miners at the disposal of the Chief Engineer of Hyderabad in place of Corporal Gilbert.

Acting Secretary to Government.
