Fort Saint George, Public Works Consultation of 1st April 1859.

No. 9. Read the following letter from Colonel C. E. FABER, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 12th March 1859, No. 8545.

SIR,

No. 275, dated 23rd December 1858, from the District Engineer, Malabar.
No. 680, dated 24th February 1859, from Board of Revenue.
No. 14, dated 24th January 1859, from Collector of Malabar.

With reference to the correspondence noted in the margin, I have the honor to forward, for submission to Government, an Estimate amounting to Rupees 203, for constructing ten Peon's Sheds in the vicinity of Mahé, for watching the import and export of Salt, in the District of Malabar.

1 Copies of letters, &c., as above.
1 Abstract Estimate.

2. The Board of Revenue, for whose opinion the Estimate was forwarded, approve of the work.

3. The Estimate has been duly examined in this Office, and the rates therein given are those obtaining in that District. I beg therefore to recommend Government to be pleased to sanction the amount, viz., Rupees (203) two hundred and three, out of the one lack fund for 1858-59.

Letter from Lieutenant J. BEAN, District Engineer, Malabar, dated Irrity, 23rd December 1858, No. 275.

SIR,

I have the honor to inform you that the Collector of Malabar considers it desirable that Peon's Sheds should be constructed in the vicinity of Mahé, the French Settlement, for the purpose of watching the import and export of Salt. At his request therefore I beg to enclose Estimates for the purpose, amounting to Rupees 203.

Extract from the Proceedings of the Board of Revenue, dated 24th February 1859, No. 686.

Letter from P. GRANT, Esq., Acting Collector of Malabar, dated Calicut, 24th January 1859, No. 14.

SIR,

In reply to Proceedings Board of Revenue, dated 17th Instant, I beg to inform you that the Sheds at Mahé are required for the accommodation of the Establishment, deputed to collect the transit duties imposed by Government, according to the Tariff sanctioned in Extract Minutes Consultation, dated 1st September 1858, for goods passing to and from the French Settlements.

No. 183.
No. 1199.

2. From the peculiar nature of the Mahé territory, a portion of which, North of the river, has English country on 4 sides of it, it is necessary to have several Sheds or Chowkies, which from the nature of the climate of Malabar, require to be of a substantial description.

Resolved that copy of the above letter be forwarded to the Chief Engineer, with reference to his letter dated 7th January 1859, No. 6842.

2. Under the circumstances stated by the Acting Collector, the Board are of opinion that application may be made to Government for disbursing the amount as proposed by the Chief Engineer in his letter above quoted.

(A true Extract.)
