Fort Saint George, Public Works Consultation of 20th April 1858.

No. 71. Read the following letter from Major E. LAWFORD, Superintending Engineer Southern Circle in charge of the Central Office of Public Works; to H. FORBES, Esq., Acting Secretary to Government, dated 7th April 1858, No. 8782.

SIR,

With reference to Extract Minutes Consultation No. 372, dated 3rd March last, I have the honor to represent the inadequate strength of the present Establishment of the District Engineer in Madura for the efficient Superintendence of the Famine Roads ordered to be carried on, and to request permission to entertain four temporary Assistant Overseers for six months for the purpose, and to charge their salaries to the works under construction.

2. The District Engineer has represented the necessity of increased means of Superintendence for the above works being afforded and as a temporary measure I have directed him to employ such persons as he may find suitable in order that the views of Government in providing work for the poor may not be frustrated.

No. 72. ORDER THEREON, No. 703 ; dated 16th April 1858.

The Right Honorable the Governor in Council sanctions the employment of four temporary Overseers in the District of Madura for a period of six months, to Superintend the construction of the famine roads in that District, sanctioned on the 3rd Ultimo, the amount of their salaries being charged to the works.

(Signed) H. FORBES,
Acting Secretary to Government.
