Fort Saint George, Public Works Consultation of 20th April 1858.

No. 131. Read the following letter from Colonel C. E. FABER, Chief Engineer ; to H. FORBES, Esq., Acting Secretary to Government, dated 15th March 1858, No. 8125.

SIR,

1 Letter from the Acting District Engineer North Arcot No. 2099, dated 12th February 1858.

1 Memo. from Lieutenant Mayne.

I have the honor to forward for submission to Government, the accompanying correspondence, relative to the amount viz., Rupees (112) one hundred and twelve, expended in excess of the Supplemental estimate, for the completion of the Dawk Bungalow at Nurraharypett in the North Arcot District, sanctioned in Extract Minutes Consultation No. 2295, dated 9th December 1857.

2. It will be observed from the accompanying Memo. from Lieutenant Mayne, that the amount of the original estimate, as framed by Overseer Booth was Rupees (350) three hundred and fifty, and that the same was reduced by the late Lieutenant Boyd, for reasons unknown, to Rupees (200) two hundred, which the Government were pleased to sanction in the Extract Minutes Consultation already quoted. But as it has been found impracticable to prosecute the work to completion within that amount, I beg to recommend that the sanction of the Right Honorable the Governor in Council be extended to the additional sum expended on the work, viz., Rupees (112) one hundred and twelve.

Letter from JAMES H. DOPPING, Esq., Acting District Engineer of North Arcot ; to Colonel C. E. FABER, Chief Engineer, dated Camp Arcot, 12th February 1858, No. 2099.

SIR,

I have the honor to forward copy of an Official Memorandum from Lieutenant Mayne while in charge of the Executive Range of the late Lieutenant B. B. Boyd and request that you will be so good as to sanction the sum of Rupees 112 which has been already expended in excess of the Supplemental estimate sanctioned in Extract from Minutes of Consultation No. 2295, dated 9th December 1857.

Official Memorandum from Lieutenant J. O. MAYNE, Acting District Engineer North Arcot, in charge of 1st Section ; to the District Engineer of North Arcot, dated Camp Vellore, 2nd February 1858, No. 587.

The expenditure on the Nurraharypett Bungalow has exceeded the original estimate by Rupees 312-2-2, Overseer Booth forwarded a Supplemental estimate for Rupees 350, but the late Lieutenant Boyd reduced it for some unknown reason to Rupees 200 which was sanctioned and an additional sum of Rupees 112, is therefore required.

No. 132. ORDER THEREON, No. 735 ; dated 20th April 1858.

The Chief Engineer requests sanction for Rupees 112 the amount of excess in expenditure above the Estimates sanctioned for the construction of a Bungalow at Nurraharypett in North Arcot. The Bungalow appears to have been already completed and the proper course for Colonel Faber in such cases is to submit the bills with full and sufficient explanation.

Acting Secretary to Government.
