Fort Saint George, Public Works Consultation of 20*th April* 1858.

No. 133. Extract from the Minutes of Consultation under date the 20th April 1858, No. 736.

The Governor in Council proceeds to pass orders on the letter in the Marine Department from the Honorable the Court of Directors dated 16th February 1858, No. 6.

Marine 16th February 1858, No. 6.

Transmits five plans and six Specifications of five Iron Steam Dredging Machines shipped on the Godavery for this Presidency and intimating that the Invoice and Bills of Lading will be forwarded in due course.

A copy of this Despatch will be furnished to the Chief Engineer together with the Plans and Specifications of the five Steam Dredges referred to therein.

2. These Dredges are supplied on the Military Indent, dated 9th February 1856, and it will be for the Chief Engineer to ascertain in communication with the Inspector of Ordnance for what Department these Machines are intended and dispose of them accordingly.

3. On the 8th Instant, the Government forwarded to the Chief Engineer a Bill of Lading for certain Machinery appertaining to Steam Dredging vessels shipped on the Godavery, but they are not aware whether the Specifications now sent refer to any part or parts of them. The Chief Engineer will be careful so to arrange matters with the Inspector of Ordnance that there may be no confusion in the Machinery intended for the different Departments.
