Central Office of P.W.
No. 8772. Fort St. George April 1888.
From Mr. Superintending Engineer S. S. S. S.
in charge of Central Office P.W.
To The Secretary to Government P.W.
Sir,

In acknowledging the receipt of P. M. No. 1587, dated 31st March 1888, I have the honor to inform you that the orders therein conveyed have been duly communicated to the Collector and District Engineer of Tanjore, and that henceforth the latter officer will take no part in the plantation or maintenance of the Avenue trees except those of Trunk Road only between Coimbatore and the Lower Annam, the cost of which I am able to state was originally charged to the Road Department.

2. I beg however to be informed whether the Rule now promulgated is intended to have exceptional operation in Tanjore, or whether it is

to be understood that the Avenue trees
of all other Provinces which have
not been planted by the Road
Department are to be also under
the charge of the Director, and
those of the Trunk Roads under
District Engineers, for under
such circumstances it would
appear hardly worthwhile for
the latter Officers to keep
up nurseries as they are
now doing.

Fort St George
7th April 58
I have the honor to be
Sir
Your much obliged servant
Lawrence Major
Asst. Dir. Engrs
in charge Central India P.W.D.

To The Secretary to
Government P.W.D.
