No. 47. Read the following Extract from the Minutes of Consultation in the Judicial Department, dated 12th April 1858, No. 471.

Read the following letter from C. F. CHAMIER, Esq., Acting Register to the Court of Sudr Udalut; to H. FORBES, Esq., Acting Secretary to Government, in charge of the Judicial Department, dated 9th April 1858, No. 22.

SIR,

With reference to Extract from the Minutes of Consultation under date the 20th January last, the Judges of the Sudr Udalut direct me to state that they understand from Mr. Boyson, that there will be material difficulties in the way of obtaining the premises known by the name of the Ameer Bagh. Having inspected three other houses, known as Patter's gardens, Moorat's gardens, and the Commander-in-Chief's house, the Judges are disposed to think that it will be extremely difficult to procure premises so well adapted for their purposes as those in which the Court is now held; and they would therefore suggest that the Engineer's Department may be directed to consider whether, during the approaching adjournment, measures could not be taken for putting the southern side of the building, which alone appears to be insecure, in such a state of repair as will enable them, after that period, to hold Court there as heretofore.

Referred to the Public Works Department for early consideration.

Dy. Secretary to Government.

No. 48. ORDER THEREON, No. 767; dated 24th April 1858.

Ordered to be communicated to the Chief Engineer in view to the Civil Architect, in company with the Superintending Engineer of the Southern Circle being directed to inspect the building occupied by the Court of Sudr Udalut, and to report whether the arrangement proposed by the Judges is practicable.

Acting Secretary to Government.
