Fort Saint George, Public Works Consultation of 27th April 1858.

No. 70. Read the following Extract from the Minutes of Consultation in the Military Department, dated 14th April 1858, No. 1282.

Read the following Extract from the Minutes of Consultation in the Public Works Department.

Referring to the Military Department the communication from the Chief Engineer regarding the original Estimates for the construction of the Bullet Factory in view that such orders being issued in that Department as the case may call for. } (Here enter 25th March 1858, No. 541.)

No. 8805.

Memorandum.

With reference to a Memo: from the Deputy Secretary to Government Military Department, dated 1st Instant, the Superintending Engineer Southern Circle, in charge of the Central Office of P. W. has the honor to state, that none of the works indicated in para. 3 of Captain Fasken's letter of the 9th February last, are provided for by estimate except Nos. 1 and 4.

Central Office of P. W.,
Fort St. George, 8th April 1858. }

(Signed) E. LAWFORD, Major,
Suptg. Engr. Southern Circle in charge of the Central Office P. W.

As it appears that a Coal-shed and the other arrangements recommended in the Inspector General's letter of the 9th February 1858 are absolutely requisite, the Governor in Council directs, that plans (where such are required) and Estimates, for all the works indicated in para. 3 of that letter with the exception of Nos. 1 and 4, be called for.

(Signed) W. H. WAPSHARE, Major,
Acting Dy. Secretary to Government.

No. 71. ORDER THEREON, No. 777; dated 26th April 1858.

Ordered to be communicated to the Chief Engineer with reference to his letter dated 8th Ultimo No. 7898 in view to Plans and Estimates being submitted for the works referred to in the above Minutes of Consultation in connection with the Bullet Factory.

(Signed) H. FORBES,
Acting Secretary to Government.
