MILITARY DEPARTMENT.

No. 1011.

Extract from the Minutes of Consultation, 15th March 1859.

Read Extract Mins. Cons. Public Works Dept.

Communicating correspondence to the Military Department, in view to its being ascertained, whether under Military rule, Conductor James can, under the circumstances of his removal from active employ in the Department Public Works, be allowed to retain his Warrant.

Here enter 6th January 1859, No. 56.

From the Adjutant General of the Army.

Replying to the foregoing question.

Here enter 28th February 1859, No. 157.

The Governor in Council observes, that Conductor James being a Warrant Officer, and not in excess of the authorised Establishment in the Department under which he held his appointment, it is not apparent on what grounds he can be deprived of his Warrant grade; certainly not because his health has failed in the performance of his duties.

The proper course seems to His Lordship in Council to be, that a medical Committee should be held on the Conductor, to pronounce whether he is disqualified for active duties, and if so, his transfer to Pension with his Warrant, follows in due course under Regulation.
