*Proceedings of the Madras Government, Public Works Department,
from 30th April to 3rd May 1859.*

No. 11. Read the following letter from Captain G. WINSCOM, Principal of the Civil Engineering College; to J. D. BOURDILLON, Esq., Secretary to Government, dated 15th April 1859, No. 252.

With reference to Extract Minutes of Consultation No. 570, dated 29th March 1858, I have the honor to request that the 3rd paragraph may be modified so to allow me a total sum of Rs. 3,200, to be spent as I deem fit upon the model of India, and that money to that amount may be advanced to me on my receipts.

My reason for requesting this is that I find now, that the establishment originally proposed may advantageously be altered, and I propose to employ more men on less pay.

I do not think it expedient to be bound to any fixed establishment, as I can at times employ more men than at others.

No. 12. ORDER THEREON, 30th April 1859, No. 1004.

In modification of the order of March 29th 1858 No. 570 the Governor in Council authorizes Captain Winscom to distribute as he may find best the remainder of the grant of 3,000 Rupees (not 3,200 Rupees) there made for the preparation of the model of South India. Captain Winscom will be good enough to inform Government what portion of the grant has been spent, what progress has been made with the model, and when it will probably be completed.

(Signed) J. D. BOURDILLON,

Secretary to Government.
